Kilometres (driving)			
Kilometres (on foot)			

Parties = the number of groups ie. If you have 7 bushbeaters and they split into 3 groups of 2 and 1 group of 1 then total parties = 4

Party-hours = the total number of hours each party spent driving or on foot ie. 4 parties in above example spent 3 hours each on foot = 12 hours + 1 party drove for 1 hour then total party hours = 13 hours
